Calvert County Board of County Commissioners Defers One of Three Public Hearings Scheduled for Tonight, Nov. 28, 2017

PRINCE FREDERICK, Md. – Nov. 28, 2017 – The Calvert County Board of County Commissioners (BOCC) today deferred one of the three public hearings scheduled for tonight's joint public hearings with the Calvert County Planning Commission. The BOCC deferred the hearing on proposed flood mitigation plans for Breezy Point and Neeld Estates during its regular 10 a.m. public meeting today in order for staff to verify data.

The BOCC and Planning Commission will still consider and receive comments on two other amendments during the hearings held at the Courthouse Square Building located at 205 Main St., in Prince Frederick starting at 7 p.m. tonight. The two amendments involve:

- Adding the approved Calvert County Growth Tier Map to the existing Calvert County Comprehensive Plan; and
- Clarifying Calvert County Critical Area Maps #32 and #35

Citizens can view the amendments [online](#). For additional information, contact the Department of Planning and Zoning at 410-535-2348 or email pz@calvertcountymd.gov. Individuals who cannot attend the public hearing may submit written comments.
