### **Main Street in Prince Frederick Closed Due to Sewer Main Break**

**PRINCE FREDERICK, Md. – Jan. 22, 2018** – The Calvert County Department of Public Works reports Main Street in Prince Frederick remains closed while crews replace a failed sewer main. The replacement project will take at least one week, weather permitting.

The road closure is at the Church Street intersection. Motorists travelling northbound on Main Street can turn around utilizing the circular driveway behind 131 Main Street or at the County Services Plaza. Those travelling eastbound on Church Street can take a left-hand only turn onto Main Street. Motorists are asked to avoid the construction area, but if travel is necessary, please use caution.
