High Winds Suspend Various Calvert County Services

PRINCE FREDERICK, Md. – March 2, 2018 – Calvert County Government announced several government closings and service disruptions today, Friday, March 2, 2018, due to high winds.

The Department of Parks & Recreation has closed all county outdoor parks. The Chesapeake Hills Golf Course and the Solomons Visitor Center are also closed. The Calvert County Public Transportation Division has suspended all county bus service for the remainder of the day. In addition, the Appeal Landfill in Lusby has limited capacity and will close at noon and the Ball Road Convenience Center in St. Leonard is closed due to fallen trees. All other county convenience centers remain open today.

The National Weather Service is reporting that a high wind warning remains in effect through Saturday. A high wind warning means a hazardous high wind event is occurring and sustained wind speeds of at least 40 mph or gusts of 58 mph or more can lead to property damage.

The Calvert County Department of Public Safety Division of Emergency Management asks all citizens to exercise extreme caution and report all downed trees and power lines. To report power interruptions or downed power lines, contact your utility company online or keep their numbers handy or programmed into your phone. You can reach SMECO online at www.smeco.coop or by calling 1-877-74-SMECO. You can reach BGE online at www.bge.com or by calling 877-778-2222.
