**PRINCE FREDERICK, Md. – April 6, 2018** – The Calvert County Department of Parks & Recreation announces the Maryland Department of Natural Resources (DNR) will hold interactive public meetings to solicit public comment and feedback on the Maryland Land Preservation and Recreation Plan. Topics discussed during the sessions will cover amenities and services for boating, camping, fishing, hiking and hunting.

DNR staff will focus on gathering comments about the state's outdoor activities to complement results obtained from the Maryland Land Preservation and Recreation Plan Survey, which will remain open until May.

Citizens are encouraged to fill out the [survey](#), attend the information sessions and provide feedback to have their opinions considered in the plan. The information sessions will be held Wednesday, April 18, 2018, at Jefferson Patterson Park & Museum located at 10515 Mackall Road in St. Leonard. The first session will begin at 1 p.m. followed by a second session at 6 p.m.
