Chesapeake Hills Golf Course to Close Front Nine Holes for Upgrades in July

PRINCE FREDERICK, Md. – June 25, 2018 – The Calvert County Department of Parks & Recreation announces it will be planting Bermuda grass on the front nine holes of the Chesapeake Hills Golf Course beginning July 9, 2018. Although the sprigging process only takes a few days, the front nine holes will remain closed for up to four weeks while the grass grows in strong enough for foot traffic.

“This upgrade will allow us to provide better fairways year-round,” explained Chesapeake Hills Golf Course Manager Mike Maher.

During the closure period, the back nine holes will remain open and tee times will be required. On some days, it may be possible to play the back nine holes twice in order to get in 18 holes of play. During the time of the closure, the golf course will offer a \$3 discount on nine holes of play with a cart and \$5 off 18 holes of play with a cart.

Located in scenic Lusby and just minutes from historic Solomons Island, the Chesapeake Hills Golf Course offers an enjoyable and challenging experience for all golfers. Visit online to learn more about Chesapeake Hills Golf Course, Calvert County's premier public golf course, at www.ChesapeakeHills.com.
