Public Meeting Set for Input on the Chesapeake Hills Golf Course Clubhouse

PRINCE FREDERICK, Md. – July 19, 2018 – The Calvert County Department of Parks & Recreation will host a public meeting to gather input on future plans for the Chesapeake Hills Golf Course clubhouse. The meeting will be held Wednesday, Aug. 8, 6 p.m., at the interim golf course clubhouse at 11352 HG Trueman Road, Lusby.

The current clubhouse is in a state of disrepair after sustaining significant structural damage during a January 2018 snowstorm. County staff is preparing plans for a new clubhouse and is seeking public input on potential amenities for the new building.

“We are in the early stages of planning for a new clubhouse,” said Department of Parks & Recreation Director Shannon Nazzal, “but we want to hear ideas from the community to help make this a facility that will serve the county well into the future.”

The public meeting will feature clubhouse design concepts and serve as a focus group for gathering community input. An online survey is also available for those who cannot attend the meeting. Visit www.CalvertCountyMd.gov/Clubhouse to offer ideas through the survey.

For more information on the clubhouse project, contact the Calvert County Department of Parks & Recreation at 410-535-1600, ext. 2223 or email Tim.Hepler@calvertcountymd.gov.
