Upcoming Clinic Offers Free Rabies Vaccinations for Pets

PRINCE FREDERICK, Md. – Oct. 11, 2018 – The Calvert County Department of Public Safety, Animal Control Division, and the Calvert County Health Department are sponsoring a rabies clinic to offer free rabies vaccinations for county pets. The clinic will be held Saturday, Oct. 13, 10 a.m. to noon at Huntingtown High School, located at 4125 N. Solomons Island Road.

Proof of prior vaccination is required to receive the three-year vaccine. Eligible pets include cats, dogs and ferrets in carriers or on leashes and muzzled if necessary. This is an open-air clinic with no special facilities to vaccinate animals that cannot be restrained (feral animals or stray animals) by their owners.

Calvert County pet licenses will also be available at the rabies clinics. Pet licenses are \$7 for spayed or neutered pets (proof required) and \$20 for those not spayed or neutered. A Calvert County pet license must be renewed every year and is required for all cats and dogs age 5 months and older.

For more information, call the Calvert County Health Department at 410-535-5400 or 410-535-3922. Visit online at www.calverthealth.org. For information on Calvert County Government, visit www.CalvertCountyMd.gov or like us on [Facebook](https://www.facebook.com/calvertcountymd).
