Calvert County to Host Free Residential Household Hazardous Waste Collection Event

PRINCE FREDERICK, Md. – July 16, 2019 – The Calvert County Department of Public Works, Solid Waste Division, will host a free household hazardous waste collection event for county residents Saturday, July 27, 2019. The event will be held at the Mt. Hope Community Center located at 104 Pushaw Station Road in Sunderland from 8 a.m. to 2 p.m., rain or shine.

Hazardous household products are common in many homes and must be disposed of carefully in order to prevent dangerous chemical reactions, ignition, burns, vapors and ground water contamination that can occur when included with regular household waste. A substance is considered hazardous if it ignites easily, reacts or explodes when mixed with other substances, is corrosive or toxic. To determine if a substance is hazardous, check product labels for words or symbols that indicate caution, warning, danger, poison or toxic.

Acceptable hazardous waste items include auto and floor care products, medications, pesticides, gasoline, fertilizers, ammunition and more. Latex paints will not be accepted at this event. Visit [online](#) for a full list of acceptable hazardous waste disposal items.

There is no limit per resident and proof of residency is required. Businesses are prohibited from this event. For a full listing of accepted hazardous waste materials or for more information on household hazardous waste collection events, call the Calvert County Solid Waste Division at 410-326-0210 or visit www.calvertcountymd.gov/recycle.
