PRINCE FREDERICK, Md. – Feb. 21, 2020 – The Calvert County Department of Planning & Zoning will hold a public workshop as part of the Prince Frederick Town Center Master Plan update process. Planning & Zoning staff will share results from the Prince Frederick Master Plan and Zoning Update Survey, and attendees will participate in a workshop to discuss topics identified in the survey.

The workshop will be held Monday, March 2, 2020 at the College of Southern Maryland, Prince Frederick Campus, Building B, located at 115 J.W. Williams Road in Prince Frederick. The meeting kicks off with an open house at 6:30 p.m. with the workshop to follow from 7-8:30 p.m.

The meeting will also be streamed live on the Calvert County Government Facebook page at www.facebook.com/CalvertCountyMd.

The Prince Frederick Town Center Master Plan sets policies and actions that guide the physical development within the town center, including private and public development. This meeting will be one of many opportunities for the public to provide input for the Prince Frederick Town Center Master Plan update. The master plan was originally adopted in 1989.
