Calvert County Government Clarifies Guidance on Grocery Shopping Days

No Grocery Shopping Day Restrictions

PRINCE FREDERICK, Md. – April 15, 2020 – The Board of County Commissioners seeks to clarify recent news reports about restrictions on local shopping, specifically the days which consumers may shop in grocery stores. The public is advised there are currently ***no*** restrictions in Calvert County, Maryland. Citizens may continue to shop at their convenience.

Confusion arose when the Calvert County Health Department issued suggested consumer guidance regarding grocery store shopping days on their website to help local grocers minimize the number of people in grocery stores. Calvert County citizens and businesses should be aware that this was simply a suggested practice by the Calvert County Health Department.
