Calvert County Extends Local State of Emergency

PRINCE FREDERICK, Md. – May 14, 2020 – The Calvert County Board of County Commissioners (BOCC) today voted for a second extension to the declaration of a local state of emergency for Calvert County. The resolution extends the declaration for an additional 30 days in response to the ongoing COVID-19 pandemic.

The declaration was initially executed by BOCC President Kelly McConkey on March 17. The BOCC voted in April to extend the declaration for 30 days. The state of emergency will expire 90 days after the declaration first went into effect, unless terminated earlier.

The county continues to share the latest updates surrounding Calvert County's response to COVID-19 through a virtual resource center on its website, including any precautionary measures, guidance and closures. Residents, employees and media are encouraged to regularly monitor the page and use the resources available at www.CalvertCountyMd.gov/Coronavirus.

Updates will continue to appear on the Calvert County Government website, www.CalvertCountyMd.gov, Facebook page at www.facebook.com/CalvertCountyMd and Comcast Channel 6.
