### Inspections and Permits to Implement Staff Development Hours

**PRINCE FREDERICK, Md. – Sept. 30, 2022** – The Department of Planning & Zoning, Division of Inspections & Permits office will implement staff development hours, beginning Thursday, Oct. 6, 2022, during which the office will be closed to the public for two hours, twice a month. Inspections and Permits will be closed on the first and third Thursday of each month from 8-10 a.m., beginning Thursday, Oct. 6, 2022.

These closures will allow staff to participate in the development, testing, training and implementation of significant changes and improvements to Calvert County's land management system software, which will provide improved responsiveness and compliance rates for citizens and contractors.

The land management system allows staff to access data that affects important land management use decisions quickly and accurately using geographic information systems and information databases. It enables enhanced business processes and communication between county government departments, and provides citizens and contractors secure, seamless and transparent access to results and comments that are stored in the land management system.

For more information, contact the Calvert County Department of Planning & Zoning, Division of Inspections & Permits at 410-535-1600, ext. 2552, or by email at [inspections.permits@calvertcountymd.gov](mailto:inspections.permits@calvertcountymd.gov).
