Calvert County Parks & Recreation to Celebrate Park and Recreation Month in July

PRINCE FREDERICK, Md. – June 27, 2023 – Calvert County Parks & Recreation (CCPR) invites the community to celebrate Park and Recreation Month this July, an initiative of the National Recreation and Park Association (NRPA). The parks and natural recreation areas in Calvert County constitute valuable community resources and offer a location for people of all ages to embrace the outdoors.

To help celebrate this year's theme "Where Community Grows", the public is invited to share photos and testimonials of how their families have grown with CCPR. From sports teams to summer camps, and pool days to walks on our nature trails, we want to hear the array of ways your family has been part of Calvert County Parks & Recreation through the years. To share, please send a message and photo via Facebook Messenger or by email to specialevents@calvertcountymd.com. Submitted stories may be shared on CCPR social media pages throughout July.

By earning accreditation through the Commission for Accreditation of Park and Recreation Agencies (CAPRA) and NRPA, Calvert County Parks & Recreation has been highly ranked amongst leading parks and recreational organizations nationally. CAPRA accreditation is the only national accreditation available to park and recreation organizations. This mark of distinction signifies that an organization has met rigorous standards for the management and administration of resources, programs, facilities, safety and services.

NRPA is the leading nonprofit organization dedicated to building strong and resilient communities through the power of parks and recreation. With more than 60,000 members, NRPA invests in and champions the work of park and recreation professionals and advocates for
