## Calvert County Wins Government Experience Project Award for Land Management Online Portal

**PRINCE FREDERICK, Md. – Oct. 25, 2023** – Calvert County Government is proud to announce its recent honor in receiving a Government Experience Project Award for the creation of its Encompass Land Management Online Portal. The award was announced by the Center for Digital Government (CDG) as part of their seventh annual Government Experience Awards. This award, one among the 39 this year to governments across the nation, places Calvert County on a distinguished list of forward-thinking jurisdictions.

The annual CDG awards spotlight the remarkable strides taken by government entities to enhance their service experiences. By leveraging cutting-edge digital tools and technologies, these governments provide their citizens with a seamless, interactive and efficient approach to accessing services and information.

Calvert County's Encompass Portal ties together electronic document submission and management, payment gateways, geospatial data, responsive design and analytical features. Its success is reflected in improved operational efficiency, higher levels of accessibility and increased customer satisfaction. The project is an example of Calvert County Government's dedication to streamline and enhance citizen services, engagement and interaction with land management processes.
