New enterprises and the growth of established ones are indicators of a robust and healthy local economy. These businesses not only contribute to the economic landscape but also enhance the quality of life for the Calvert County community.

The Calvert County Department of Economic Development monitors economic trends and works to execute business programs that complement Calvert County. The department works to attract and retain strong, healthy and dynamic companies of all sizes and industries. For more information, visit www.ChooseCalvert.com.

If you have a new business that you would like included on our website, please complete the new business form at www.choosecalvert.com/NewBusiness.
