Calvert County Government Releases 2023 State of the County Video

PRINCE FREDERICK, Md. – Jan. 18, 2024 – The Calvert County Board of County Commissioners (BOCC) announces the release of the Calvert County 2023 State of the County video. The full State of the County video can be viewed online at www.CalvertCountyMd.gov/StateOfTheCounty.

“In 2023, Calvert County has proven itself as a prosperous community with a bright future,” said BOCC President Earl F. “Buddy” Hance. “We draw our strength from many factors, but it is the strength and resilience of Calvert County residents that makes our county special. It is a privilege to live and serve in this community and we continue our commitment to our residents above all else.”

The State of the County video highlights County Government efforts to sustain healthy economic growth; reinforce public safety and security; ensure adequate health and human services; support public education; make regulatory changes to support smart growth and land use; improve infrastructure; promote community revitalization; engage with citizens; and provide effective and efficient public services.
