Appeal Landfill Outbound Scale Upgrades Scheduled for Feb. 21-22

PRINCE FREDERICK, Md. – Feb. 16, 2024 – The Calvert County Department of Public Works, Solid Waste & Recycling Division, announces scheduled upgrades for the Appeal Landfill that will temporarily impact operations.

On Feb. 21 and 22, the outbound scale at Appeal Landfill will be closed for the replacement of the old concrete deck with a modern steel deck. During this period, the inbound scale will remain operational, but customers should anticipate longer than usual wait times due to the temporary reliance on a single scale for both incoming and outgoing traffic. Landfill personnel will implement traffic control measures to guide vehicles entering and exiting the scale, to ensure safety and minimize inconvenience.

Normal scale operations will resume once the deck installation is complete. We appreciate your patience and understanding as we work to improve services for Calvert County residents at Appeal Landfill and all customer convenience centers.
