Calvert County Department of Economic Development Releases Annual Report

PRINCE FREDERICK, Md. – [Dist. Date] – The Calvert County Department of Economic Development announces its release of the 2023 Economic Development Annual Report. The report highlights the collective impact of the four fundamental pillars of economic development: business development, business retention, agriculture and tourism.

“In 2023, the department was committed to enhancing the individual pillars and departmental services and we are excited to share the positive results of these efforts,” said Economic Development Director Julie Oberg. “This report is a glimpse of the excellent work done by our Economic Development team in their continued support of the Calvert County business community.”

[Access the full report](#) on the Calvert County Economic Development website and learn about redeveloping the vacant Prince Frederick Armory building, partnering on a Chesapeake Bay Passenger Ferry Feasibility Study, increasing outreach efforts about economic development services and several other initiatives. You can also locate previous monthly, quarterly and yearly reports online at www.ChooseCalvert.com/CalvertByNumbers.

The Calvert County Department of Economic Development monitors economic trends and works to execute business programs that complement Calvert County. The department’s goal is to attract and retain strong, healthy and dynamic companies of all sizes and industries. For more information, visit www.ChooseCalvert.com.
