Hall Aquatic Center to Extend Annual Maintenance Closure

PRINCE FREDERICK, Md. – April 11, 2024 – The Calvert County Department of Parks & Recreation announces that the Edward T. Hall Aquatic Center will be closed for an extended annual maintenance period due to the nature of work being conducted.

The Hall Aquatic Center will be closed from Saturday, July 27, through Sunday, Sept 8, 2024. The public closure will begin on Saturday, July 27, to host the Southern Maryland Swim League Championship swim meet. The maintenance period will immediately follow.

During this time, all pools, including the competition pool, leisure pool and therapy pool, will be drained, repaired and refilled.

Staff will still be present at the front desk during the closure to answer questions and assist with registrations, Monday through Friday from 8 a.m. to 4 p.m. All indoor aquatic center annual passes and punch passes will be valid at Cove Point Pool and Kings Landing Pool during this period. Cove Point Pool and Kings Landing Pool will remain open past Labor Day to accommodate recreational swim activities and practices. Hours of operation for outdoor pools will be released at a later date.
