Calvert County Family Network Introduces New Look for OurCalvert.org

Prince Frederick, Md. – Oct. 29, 2024 – The Calvert County Family Network (CCFN) is excited to announce the redesign of OurCalvert.org, a website for up-to-date information on local resources in Calvert County. Developed by the Calvert County Department of Communications & Media Relations, with grant funding through CCFN and the Governor’s Office for Children, the newly redesigned, mobile-friendly platform provides information on various resources including adult care, housing, legal assistance, transportation and more. The website also features targeted search options for children, families, military veterans, seniors and individuals with disabilities.

OurCalvert.org serves as a one-stop resource for Calvert County residents to explore and connect with resources available to them in the community. Whether it is finding financial assistance or healthcare resources, the platform is built to ensure users can access information quickly and conveniently on any device. Visit the new website at www.OurCalvert.org and follow the Calvert County Community Resources Facebook page at www.facebook.com/CalvertCommunityResources for more information on Calvert County programs.

CCFN is Calvert County’s Local Management Board (LMB). LMBs operate in each Maryland jurisdiction, partnering with local leaders, public and private agencies and businesses to build communities where all children, youth and families can thrive.
