Caution Advised During Planned Tree Removal Project and Road Closure

PRINCE FREDERICK, Md. – Feb. 28, 2025 – The Calvert County Department of Public Works announces a tree removal project is scheduled to begin on Monday, March 3, 2025. Crews will be removing trees from the adjacent right-of-way along HG Trueman Road (MD Route 765), between Solomons Landing Way and Newtown Road to protect critical water and sewer infrastructure. The section of road will be closed from 7 a.m. to 3 p.m. while work crews are in the area. The tree removal project is anticipated to last three to five days.

Traffic control measures will be in place for the duration of the project; drivers are asked to stay alert, slow down and watch for driving pattern changes. All scheduled work is weather-dependent.

We appreciate your patience and understanding while we work to continuously improve county infrastructure. For questions, please contact the Department of Public Works at 410-535-2204, or email Public.Works@calvertcountymd.gov.
