### Caution Advised During Planned Paving Operations

**Prince Frederick, Md. – April 2, 2025** – The Calvert County Department of Public Works will begin a planned paving project on April 7, 2025, in the Western Shores community of Port Republic.

The planned operations involve milling (removal of deteriorated or damaged asphalt), patching (repairing potholes and surface cracks), and overlaying (applying a new layer of asphalt) to restore smooth, durable surfaces for daily traffic.

Work will take place in phases from 7 a.m. to 5:30 p.m. and the project is expected to be completed within six weeks. Residents and commuters should anticipate temporary traffic delays. Traffic control measures will be in place for the duration of the project.

Drivers are urged to stay alert, slow down and watch for driving pattern changes. Residents are asked to avoid parking on public roadways and in cul-de-sacs. All scheduled work is weather dependent.

These essential roadwork projects aim to enhance road conditions, safety and longevity of local roadways. We appreciate your patience while we work to improve county infrastructure. For questions, please contact the Department of Public Works at 410-535-2204, or email [Public.Works@calvertcountymd.gov](mailto:Public.Works@calvertcountymd.gov).
