Sidewalk Reconstruction Project Begins May 5 in St. Leonard Town Center

Prince Frederick, Md. – May 1, 2025 – The Calvert County Department of Public Works will begin a sidewalk reconstruction project in the St. Leonard Town Center on Monday, May 5, 2025, weather permitting. The project will enhance pedestrian safety and improve walkability along St. Leonard Road.

Construction will occur on both sides of St. Leonard Road, Monday through Friday, from 8 a.m. to 3 p.m., between Mattapany Road and Leonard Ave. Work will involve the removal of trees located between the sidewalk and curb, demolition of sidewalk sections displaced by tree roots and the installation of new concrete sidewalks.

For public safety, a pedestrian detour will be in place throughout the project. Motorists should expect lane closures and flagging operations during work hours. Drivers and pedestrians are urged to follow posted signs and use caution in the area.

The Department of Public Works thanks residents and visitors for their patience during this improvement project. This project is part of Calvert County's ongoing efforts to improve local infrastructure and enhance walkability in our town centers.

For more information, contact the Calvert County Department of Public Works at 410-535-2204 or by email at public.works@CalvertCountyMd.gov.
