St. Leonard Town Center Sidewalk Reconstruction Project Begins Aug. 18

PRINCE FREDERICK, Md. – Aug. 18, 2025 – The Calvert County Department of Public Works will begin a sidewalk reconstruction project in the St. Leonard Town Center on Monday, Aug. 18, 2025. The project will enhance pedestrian safety and improve walkability along Calvert Beach Road.

Construction will occur on both sides of Calvert Beach Road Monday through Friday from 8 a.m. to 3 p.m. between St. Leonard Road and Cross Gable Lane. Work will involve the removal of trees located between the sidewalk and curb, demolition of sidewalk sections displaced by tree roots and the installation of new concrete sidewalks. All work is weather dependent.

For public safety, a pedestrian detour will be in place throughout the project. Motorists should expect lane closures and flagging operations during work hours. Drivers and pedestrians are urged to follow posted signs and use caution in the area.

The Department of Public Works thanks residents and visitors for their patience during this improvement project. The project is part of Calvert County's ongoing efforts to improve local infrastructure and enhance walkability in town centers.

For questions or more information contact Public Works at 410-535-2204 or by email at public.works@calvertcountymd.gov.
