Calvert County to Host Input Sessions for Master Plan of Town Centers

PRINCE FREDERICK, Md. – Sept. 15, 2025 – The Calvert County Department of Planning & Zoning will host a series of public input meetings to share information about the St. Leonard, Huntingtown and Owings Town Center Master Plan surveys and gather feedback from residents. Meeting details and links to survey results and additional information for each town center are listed below:

- **[St. Leonard Town Center](#)**: Monday, Oct. 6, at 6 p.m. at Crossroad Christian Church, 150 Ball Road in St. Leonard
- **[Huntingtown Town Center](#)**: Tuesday, Oct. 14, at 6 p.m. at Huntingtown Volunteer Fire Department, 4030 Old Town Road in Huntingtown
- **[Owings Town Center](#)**: Monday, Oct. 20, at 6 p.m. at Grace Brethren Church, 9870 Old Solomons Island Road in Owings

The Planning Commission has endorsed a new approach to streamline the town center master plan updates. This approach consolidates individual updates for each town center master plan into a single document: The Master Plan of Town Centers. This new document will include a town centers chapter that consolidates background information and eliminates redundancy across individual updates. The surveys are the first step in updating the town center master plans.

Resident feedback is vital to shaping the future of Calvert County's town centers, and all community members are encouraged to attend and share their input. Written questions will be accepted at the event or submitted in advance to Tay Harris, long range planner, at 410-535-1600, ext. 2333, or by email at Tay.Harris@calvertcountymd.gov.
