Calvert County to Host Household Hazardous Waste Collection Event Oct. 18

Prince Frederick, Md. – **Oct. 14, 2025** – The Calvert County Department of Public Works, Solid Waste & Recycling Division, will host a free household hazardous waste collection event for county residents on Saturday, Oct. 18, 2025. The event will be held from 8 a.m. to 2 p.m., rain or shine, at the Appeal Landfill located at 401 Sweetwater Road in Lusby.

Hazardous household products are common in many homes and must be disposed of properly to prevent dangerous chemical reactions, fires, burns, harmful vapors or groundwater contamination. A substance is considered hazardous if it is corrosive or toxic, ignites easily, reacts or explodes when mixed with other substances.

Acceptable waste items include auto and floor care products, medications, pesticides, gasoline, fertilizers and more. To determine if a product is hazardous, check the label for warning words or symbols such as caution, danger, poison or toxic. Latex paint will not be accepted at this event.

There is no limit on the amount of material residents may bring to the event. Proof of residency is required. Businesses are prohibited from participating.

For a full list of accepted items, contact the Calvert County Solid Waste & Recycling Division at 410-326-0210 or visit www.CalvertCountymd.gov/HazardousWaste.
