PRINCE FREDERICK, Md. – Nov. 7, 2025 – The Calvert County Department of Public Works, General Services Division, announces that document drop boxes for several county departments have been relocated from 205 Main St. (Courthouse Square) to the new Calvert County Administration Building (CAB), located at 150 Main St. in Prince Frederick.

Drop boxes (blue boxes) for the following departments are now available in the CAB parking lot, near the building's loading dock on the northeast corner of the building:

- **Public Works** (Public Works agreements and other related documents)
- **Environmental Health** (permit applications and forms)
- **Planning & Zoning** (permit submissions and documents)

Residents who previously used these drop boxes should begin using the new location today, Friday, Nov. 7, 2025. The former drop boxes at 205 Main St. have been permanently removed. Drop boxes are accessible 24 hours a day, seven days a week.

The drop boxes at the 175 Main St. will remain and should be used for the Treasurer's Office until further notice.
