Water Main Repair Work Continues in Solomons

PRINCE FREDERICK, Md. – Nov. 20, 2025 – The Calvert County Department of Public Works, Water & Sewerage Division, advises that crews will return to continue water main repairs in Solomons from 11 p.m. Thursday, Nov. 20, 2025, until 5 a.m. Friday, Nov. 21 in front of J.C. Lore Oyster House. Water service will be interrupted from Alexander Lane southward, including all of Solomons Island. The area will have trucks and machinery in the roadway, with flagging as needed.

Residents are asked not to use the washing machines during this time. After the repair is complete, please run your tap for a few minutes to clear it and minimize the risk of discoloration or air accumulation in the plumbing fixtures. The Department of Public Works appreciates the public's patience while this necessary repair is completed and regrets any inconvenience this work may cause.

For questions, contact the Department of Public Works, Water & Sewerage Division at 410-535-1600, ext. 2554, or by email at WaterandSewerage@calvertcountymd.gov.
