Sidewalk Construction Underway in Solomons

PRINCE FREDERICK, Md. – Feb. 17, 2026 – The Calvert County Department of Public Works began a sidewalk reconstruction project in Solomons Tuesday, Feb. 17. The project will enhance pedestrian safety and improve walkability along Charles Street.

Weather-dependent construction will occur along eastbound Charles Street Monday through Friday from 8 a.m. to 3 p.m., between Charles Street and the traffic circle at Farren Avenue. Work will include the removal of trees located between the sidewalk and curb, demolition of sidewalk sections displaced by tree roots and the installation of new concrete sidewalks.

The Department of Public Works thanks residents and visitors for their patience during this improvement project. The work is part of Calvert County's ongoing efforts to improve local infrastructure and enhance walkability in town centers.
