Learn About the Permitting Process at Upcoming Informational Session, March 9

PRINCE FREDERICK, Md. – Feb. 18, 2026 – Join Calvert County Government for an informational session to learn about the county’s residential permitting process and recent system improvements on Monday, March 9, at 6 p.m. at the County Administration Building, 150 Main St., Prince Frederick.

There will be one presentation involving representatives from Planning & Zoning, Public Works, Environmental Health and Soil Conservation. The session is designed to help residents understand the permitting process and the new improvements to streamline it.

The session is purely informational and is not a public hearing. Residents may submit questions, but there is no public comment period. Questions may be submitted in advance online at www.calvertcountymd.gov/SubmitPermitQuestions or submitted at the session. Representatives will collect questions from the public during the session, and questions not answered during the session will be answered online afterward.
