Temporary Closure of Armory Road in Prince Frederick Rescheduled for Dec. 12

PRINCE FREDERICK, Md. – Dec. 9, 2013 – Due to inclement weather, the temporary closure of a portion of Armory Road in Prince Frederick has been rescheduled for Thursday, Dec. 12 beginning at 9 p.m. The road will be closed to traffic during the evening and overnight for the installation of a sewer line.

The work is part of the Armory Road/Chesapeake Boulevard improvement project. Temporary detour signage and barricades will be set up at the intersections of Armory and Dares Beach roads and Armory and Fairground roads. Motorists will detour along Fairground Road to travel between Dares Beach Road and Main Street. Armory Road will re-open before 5 a.m. Friday, Dec. 13.

The four-phase project will result in Armory Road improvements including wider shoulders, sidewalks, pedestrian lighting and more. The road's name will change to Chesapeake Boulevard and a traffic circle will be installed at its intersection with Dares Beach Road. The project is part of the larger Prince Frederick loop road.

Details of the project can be found at www.co.cal.md.us/roadproject. The website includes regular updates as the project progresses and features maps and information on its four phases.
