Public Meeting Scheduled for New Dunkirk Park Master Plan

PRINCE FREDERICK, Md. – May 30, 2014 – The Calvert County Division of Parks and Recreation is hosting a public meeting Thursday, June 12, 7 p.m. at the Northeast Community Center in Chesapeake Beach to receive community input on plans for a new park to be located on Ward Road in Dunkirk.

Parks and Recreation is developing a master plan for the 209-acre property, which was purchased by the county in Fiscal Year 2013. The purchase was funded by the Calvert County Youth Recreational Opportunities Fund, a state grant administered by the Maryland Department of Natural Resources.

The public meeting will gather input from community members on the facilities they would like to see considered for the new park. Those unable to attend the meeting but who wish to provide comments may email them to parksandrecreation@co.cal.md.us no later than Thursday, June 12.
