Mt. Harmony Road Closure Postponed to July 28
Two-Week Safety Improvement Effort Involves Detours in Owings

PRINCE FREDERICK, Md. – July 10, 2014 – The partial closure of Mt. Harmony Road in Owings, originally scheduled to begin on or about Monday, July 14, is postponed to Monday, July 28.

A portion of the road will be closed to through traffic for approximately two weeks as a segment of the road is resurfaced. Nearly 700 feet of the roadway between Valley View Court and Rue Court will be improved by repaving and the replacement of guardrails. The project will improve safety through the curved segment of the roadway.

During the project, access to residences on Mt. Harmony Road will not be affected though delays can be expected. Detour routes will be established for motorists traveling along the east/west axis in the Owings area.
