### **Work on Armory Road Roundabout in Prince Frederick to Result in Temporary Alternating One-Way Traffic Pattern**

**PRINCE FREDERICK, Md. – Oct. 30, 2014** – Construction of a concrete apron on the Armory Road roundabout at the intersection of Dares Beach Road in Prince Frederick will require temporary alternating one-way traffic patterns beginning the evening of Thursday, Oct. 30 through the afternoon of Friday, Oct. 31, weather permitting.

A continuous flagging operation will alert motorists to the work. Motorists should consider using alternate routes if possible to avoid delays. A similar traffic pattern will occur again for one day during the week of Nov. 3 for the pouring of the second half of the apron.

As part of the road improvement project, enhancements will include new sidewalks, wider shoulders and pedestrian lights along with the traffic circle. The project is part of the larger Prince Frederick loop road.

Maps plotting the project by phase and additional information are available at [www.co.cal.md.us/roadproject](http://www.co.cal.md.us/roadproject). To learn more, contact Karl Deugwillo at [deugwikr@co.cal.md.us](mailto:deugwikr@co.cal.md.us) or 410-535-1600, ext. 2546. A [Facebook page](#) has been established and will offer updates on the project as it progresses.
