Mt. Hope Convenience Center Improvement Project is Underway

PRINCE FREDERICK, Md. – Aug. 14, 2015 – A \$2.6 million expansion project is now underway at the Mt. Hope Convenience Center that will improve traffic flow, increase services and enhance safety at the site.

The 12-month project, overseen by the Calvert County Department of Public Works, will enlarge the center and include new traffic patterns allowing the exchange of full bins without disrupting convenience center users. The center remains at its 96 Pushaw Station Road location in Sunderland.

New features at the center will include covered recycling areas and raised platforms adjacent to the bins affording easier access for offloading. The center will remain open throughout construction, though residents may experience periodic delays as work progresses.

The salt dome at the site will be relocated to the area where the current convenience center stands.

For more information about the Mt. Hope Convenience Center improvement project, contact Project Engineer Ian Liong at 410-535-2204, ext. 2217 or email liongkh@co.cal.md.us. Like Calvert County Government on [Facebook](#).

###

Calvert County is Maryland's smallest county in land area with 213 square miles. It is home to nearly 90,000 people and has one of the highest standards of living in Maryland. Major industries include defense contracting, information technology, tourism, energy, advanced manufacturing and administrative services.
