Job Fairs Help High School and College Students Find Jobs

PRINCE FREDERICK, Md. – Feb. 1, 2016 – The Calvert County Parks and Recreation Division will hold Student Job Fairs at the Northeast Community Center in Chesapeake Beach Feb. 10 and at the Harriet Elizabeth Brown Community Center in Prince Frederick March 23. High school and college students are encouraged to tighten up their resumes and attend one or both of the events from 1-3 p.m.

Local businesses looking for hard-working student employees to fill summer and seasonal positions are also encouraged to participate in the fair.

“Every year I am so impressed by how prepared and professional the students are who attend these fairs,” explained Paul Lundberg, parks and recreation assistant coordinator who is in charge of the fair. “The business owners who return to the Student Job Fair year after year tell us they get more quality recruiting done in these four hours than they get done all year long.”

The Northeast Community Center is located at 4075 Gordon Stinnett Ave. in Chesapeake Beach and the Harriet Elizabeth Brown Community Center is located at 901 Dares Beach Road in Prince Frederick. For more information about the fair and to reserve a space for your business, please call 410-257-2554.
