Calvert County Division of Emergency Management to Retest Alert and Notification System Siren in St. Leonard this Friday

PRINCE FREDERICK, Md. – April 5, 2017 – The Calvert County Department of Public Safety’s Division of Emergency Management conducted a full-cycle test of 73 alert and notification sirens throughout Calvert, St. Mary’s and Dorchester counties Monday, April 3. All of the sirens, with the exception of one in Dorchester County and the one on Parkers Wharf Road in St. Leonard, performed as expected.

Repair work has been completed. The siren in Dorchester County has been fixed. The siren on Parkers Wharf Road will be retested Friday, April 7 at 3 p.m. The full-cycle test includes a 3-minute activation. Residents living within one mile of the affected siren will also receive a phone message about the second test.

For more information, contact the Calvert County Division of Emergency Management at 410-535-1600, ext. 2638. For information on Calvert County Government, visit www.co.cal.md.us or like us on [Facebook](#).

###

Calvert County is Maryland’s smallest county in land area with 213 square miles. It is home to more than 91,000 people and has one of the highest standards of living in Maryland. Major industries include defense contracting, information technology, tourism, energy, advanced manufacturing and administrative services. (LL)
