What's in it for us? Forest, farm & scientific communities are concerned. Proposed 'Conservation Designated Places' and 'priority, funding areas' claim some of the same territory as previous 'Rural' and 'Priority Preservation Areas' It can't be both!! We don't need more town development centers in this smallest county of Maryland. Do we even know what we are talking about with [unclear] information?

Please turn this form in before leaving. If you need additional time, please mail your form to Calvert County Department of Community Planning & Building, 150 Main Street, Suite 300, Prince Frederick, MD 20678, or submit your comments via email to pz@co.cal.md.us.

Putting the break-out groups in different rooms was a tremendous improvement over the one large room with several tables and very loud conversational format of earlier workshops.

What was the best part of this meeting?

Break-out session I was in was very interesting, with many good ideas expressed. Mary Beth facilitated the session effectively.

Please include suggestions for improvement:

Can't think of anything. Hope the remaining workshops are handled like this one was.
