Discussion Questions

- 1) Preserving farm and forest land has been a priority of Calvert County for 30 years.
 - a. What actions would you support the county taking to preserve even more land?
 - b. How should those actions be paid for?

- 2) One way to protect farm and forest land is to direct growth away from them and into designated areas. What incentives would you support the county providing to encourage/attract/direct growth to designated areas?
