WHEREAS, Friday, June 29 and Saturday, June 30, 2012 Calvert County experienced severe winds and rain that caused trees to be uprooted or felled, power outages and disruption of services in Calvert County; and

WHEREAS, these conditions that exist beyond the passage of that storm create life-threatening conditions throughout Calvert County, including the increased risk of the spread of fire and impediments to the passage of emergency equipment; and

WHEREAS, the Board of County Commissioners of Calvert County desires to, if it is not obligated to, assist in the removal of storm debris to preserve community health, safety and welfare; and
