A RESOLUTION TERMINATING A DECLARATION OF A
LOCAL STATE OF EMERGENCY

WHEREAS, a state of emergency and catastrophic health emergency was proclaimed by Governor Lawrence J. Hogan on March 5, 2020, to control and prevent the spread of COVID-19 within the state, and the state of emergency and catastrophic health emergency still exists;

WHEREAS, Commissioner President McConkey did execute Resolution 02-20, a declaration of a local state of emergency on March 17, 2020, whereupon the Calvert County Emergency Operations Plan became immediately effective, which confers, among other powers, the power to the President of the Board of County Commissioners of Calvert County the authority to take such measures as necessary to maximize the preservation of life and property, including the authority to request evacuation of areas;

WHEREAS, authority exists for a local state of emergency to continue for thirty (30) days, as was provided in Resolution 02-20, and State law provides for renewal periods not longer than thirty (30) days with the approval of the Board of County Commissioners;

WHEREAS, the Board of County Commissioners passed several Resolutions extending the local declaration, the last being Resolution 28-21, adopted on June 8, 2021, extending the local state of emergency for an additional thirty (30) days, to expire on July 10, 2021;

WHEREAS, COVID-19 continues to be a respiratory disease that spreads easily from person to person and may result in serious illness or death;
