Re: SB454 - Marine Contractor License – Performance of Services – Licensing Requirements and Fees

Senator Pinsky:

The Board of County Commissioners of Calvert County supports this Bill, which includes authorizing an individual who is employed by the State, or a county or municipality in the state, to perform marine contractor services while in the performance of the duties of their employment without having to obtain a marine contractor license under certain circumstances. We understand the Bill to maintain necessary and appropriate protections for the environment while also decreasing the amount we currently spend as a local government.

Should you have any questions or require further information, please do not hesitate to contact County Administrator Julian M. Willis at 410-535-1600 extension 2202, or County Attorney John Norris at 410-535-1600 extension 2566. Thank you for your kind consideration of our position regarding this important Bill.

Sincerely,

BOARD OF COUNTY COMMISSIONERS
