Dear Ms. Buehler -

I've reviewed the proposed changes, and I AGREE they are in the best interest of Calvert County currently. I'mnot sure if the following comment should be included in the comments about the plan.

I am disappointed that the proposed link from W Dares Beach Road won't travel through to Williams Road near CSM. Its opening would reduce traffic on MD Rt. 231, which is already a dangerous, heavily traveled road. Is there likely to be any more discussion with SHA/ county roads division to open that?
