

NACo Dental Discount Card Program

What It Is

The NACo Dental Discount Card program is offered as a joint effort of Calvert County Government and the National Association of Counties (NACo). This program provides discounted prices on a wide range of dental care services. It is **NOT** an insurance program.

Who is it for?

- Everyone is accepted
- Existing medical conditions OK
- No waiting or administrative forms
- Family plan includes all family members and anyone living with you
- Unlimited number of visits

How do I join?

1. Phone: 877-354-NACo (6226)
2. Online: www.nacodentalprogram.com
3. Fill out an application, and mail it to:
Careington International Corporation,
P.O. Box 2568
Frisco, Texas 75034-9929
Or fax to 877-335-7811
4. Receive a personalized kit in the mail within 7-10 days with two membership cards and information on the nine closest dentists in your zip code.

What does it cost?

The Dental Discount Program is affordable and can save county residents money on most dental procedures.

- Individual Rate: **\$6.95/month or \$59/year**
- Family Rate: **\$8.95/month or \$69/year**

How do I use the program?

- Visit www.nacodentalprogram.com or contact Member Services at 877-354-NACo (6226) to sign up **and locate a participating dentist in your area. Only dentists who participate in Careington and Aetna managed care plans participate in the NACo Dental Discount Program.**
- When making an appointment with a participating dentist, **identify the network name printed on the member ID card (Careington or Aetna).** Show your dental membership ID card at the time of visit to receive the discount.
- Pay the discounted rate at the time of service.
- Call Customer Service for answers to any questions you may have.

What kind of savings can I expect?

- Save 5 percent to 50 percent on dental procedures including routine oral exams, cleanings, dentures, crowns and more!
- Savings of 20 percent on normal fees for all specialties – including endodontics, oral surgery, orthodontics, pediatric dentistry, periodontics and prosthodontics – where available for both children and adults.
