To Whom It May Concern:

The Housing Authority of Calvert County (HACC) issues this letter to formally address and dispel circulating rumors regarding the project-basing of Housing Choice Vouchers within Calvert County.

HACC has not project-based any Housing Choice Vouchers for the development known as *Lusby Villa*. Additionally, HACC has not project-based vouchers for any other apartment complex within Calvert County, including Low-Income Housing Tax Credit (LIHTC) properties owned by HACC.

At this time, HACC has no intent to project-base vouchers at any development in Calvert County. Further, under the current federal administration and given existing funding limitations, HACC does not have the financial capacity to undertake such action.

This letter is issued to ensure transparency, provide accurate information to stakeholders and the public, and to put an end to misinformation regarding this matter. Should circumstances change in the future, any policy decisions will be communicated formally and publicly by HACC.

Sincerely,

Shawn Kingston
Executive Director
