WHEREAS, Monday, July 14, 2014, Calvert County experienced severe winds and rain that caused trees to be uprooted or felled, power outages and disruption of services in Calvert County;

WHEREAS, these conditions that exist beyond the passage of that storm create life-threatening conditions throughout Calvert County, including the increased risk of the spread of fire and impediments to the passage of emergency equipment;

WHEREAS, the Board of County Commissioners of Calvert County desires to, if it is not obligated to, assist in the removal of storm debris to preserve community health, safety and welfare; and
